"I encourage coaches to definitely get their hands on one of these machines. I'm sure it's going to help your player's game—Big Time!"

Albert Pujols—

3-time NL MVP and member MLB's 600 Home Run Club

Realistic 64" delivery height. Delivers pitches at a realistic downward plane.

Change speeds without the hitter knowing it!

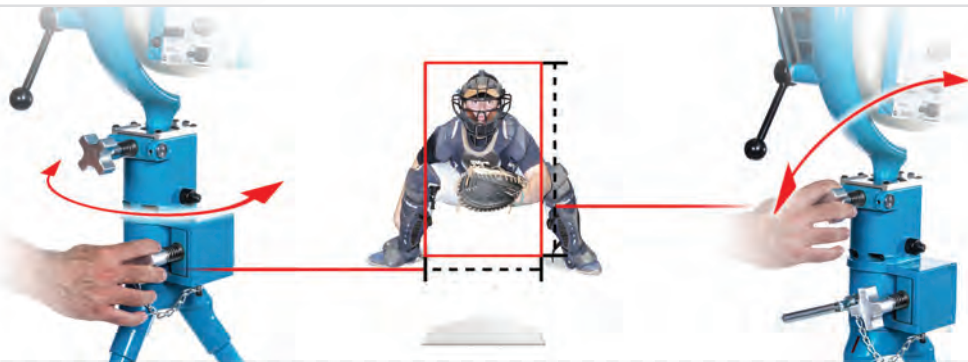

Switch between **fastballs** and **changeups** with the touch of a button using the hand-held remote control. Remote control can be used at the machine or even behind the hitter.

The JUGS BP®3 Baseball Pitching Machine's changeup feature, higher speed range and the ability to effortlessly change from pitch to pitch, is designed for the advanced player whose skills demand practicing every pitch at game-like speeds.

Pinpoint™ Micro Adjustment at your fingertips

The most advanced and easy to use **pitch targeting system ever developed** (patent pending.) Locate pitches instantly—right to left, up or down with a quick turn of your wrist.

BP3

BASEBALL
PITCHING MACHINE
WITH CHANGEUP

Recommended Skill Level

- Backyard Players
- Youth Leagues
- High Schools
- Colleges
- Professionals

Speed Range

- 40-90 mph

6

Unparalleled 5-Year Guarantee on all parts except the control panel, moving and non-moving, against normal wear and factory defects.

2-Year Guarantee on control panel and handheld remote control unit against normal wear and factory defects.

Great for offensive or defensive drills—

Change speeds while practicing advanced outfield drills—at the warning track or shallow fly balls.

Rotate the top back even further for towering catcher pop-ups.

The following features and benefits make the **NEW BP[®]3** a must for any serious program.

A) Patented Grip-Tite[®] 12" non-marking pneumatic tires—Average 20-year life expectancy compared to 5-year solid-tire life expectancy.

Grip-Tite[®] tires provide superior pitch accuracy compared to any other 3-wheel machine. Grip-Tite[®] tires will not melt, crack or chunk like solid tires.

B) 3 wheels provide better contact with the ball for exceptional pitch control and accuracy.

C) 3 wheel design eliminates the need to rotate the machine to change pitches.

D) Always see the ball™ delivery system: A clear and uninterrupted view of the ball throughout the entire pitch process allows the hitter to realistically time their stride.

E) Throws Changeups: change from fastball to changeup at the touch of a button using the remote control on key chain or manual button located on control panel.

F) Large 3" LCD Readout Display

G) Digital Speed Adjustment: 40-90 mph.

H) Select-A-Pitch™ Dial: The BP[®]3 throws the following nine pitches at the turn of a dial.

- Fastballs and Changeups
- Right- and Left-handed Curveballs and Sliders
- Right- and Left-handed Cutters
- Split-finger Fastballs

I) Fastball/Changeup Hitting Circuit: 3 preset hitting circuits allows the machine to automatically change between fastball and changeup giving your hitters a "real" pitcher vs. hitter experience.

J) Micro-Adjustment: Pinpoint™ control at your fingertips—the most advanced and easy to use pitch targeting system ever developed for a pitching machine (patent pending.)

K) Vertical and Horizontal Macro Adjustment Levers: Throwing deep 325' fly balls or towering pop-ups has never been easier. 360 degree rotation allows you to easily practice using the entire field.

L) Quick-Snap[®] leg attachment—No T-handle or leg clamp necessary.

M) Easy to move and set up—Simply lock machine in the "pop-up" position, lower to the ground and wheel your machine like a wheel barrow.

N) Three ¼ HP motors will give you years of trouble-free use.

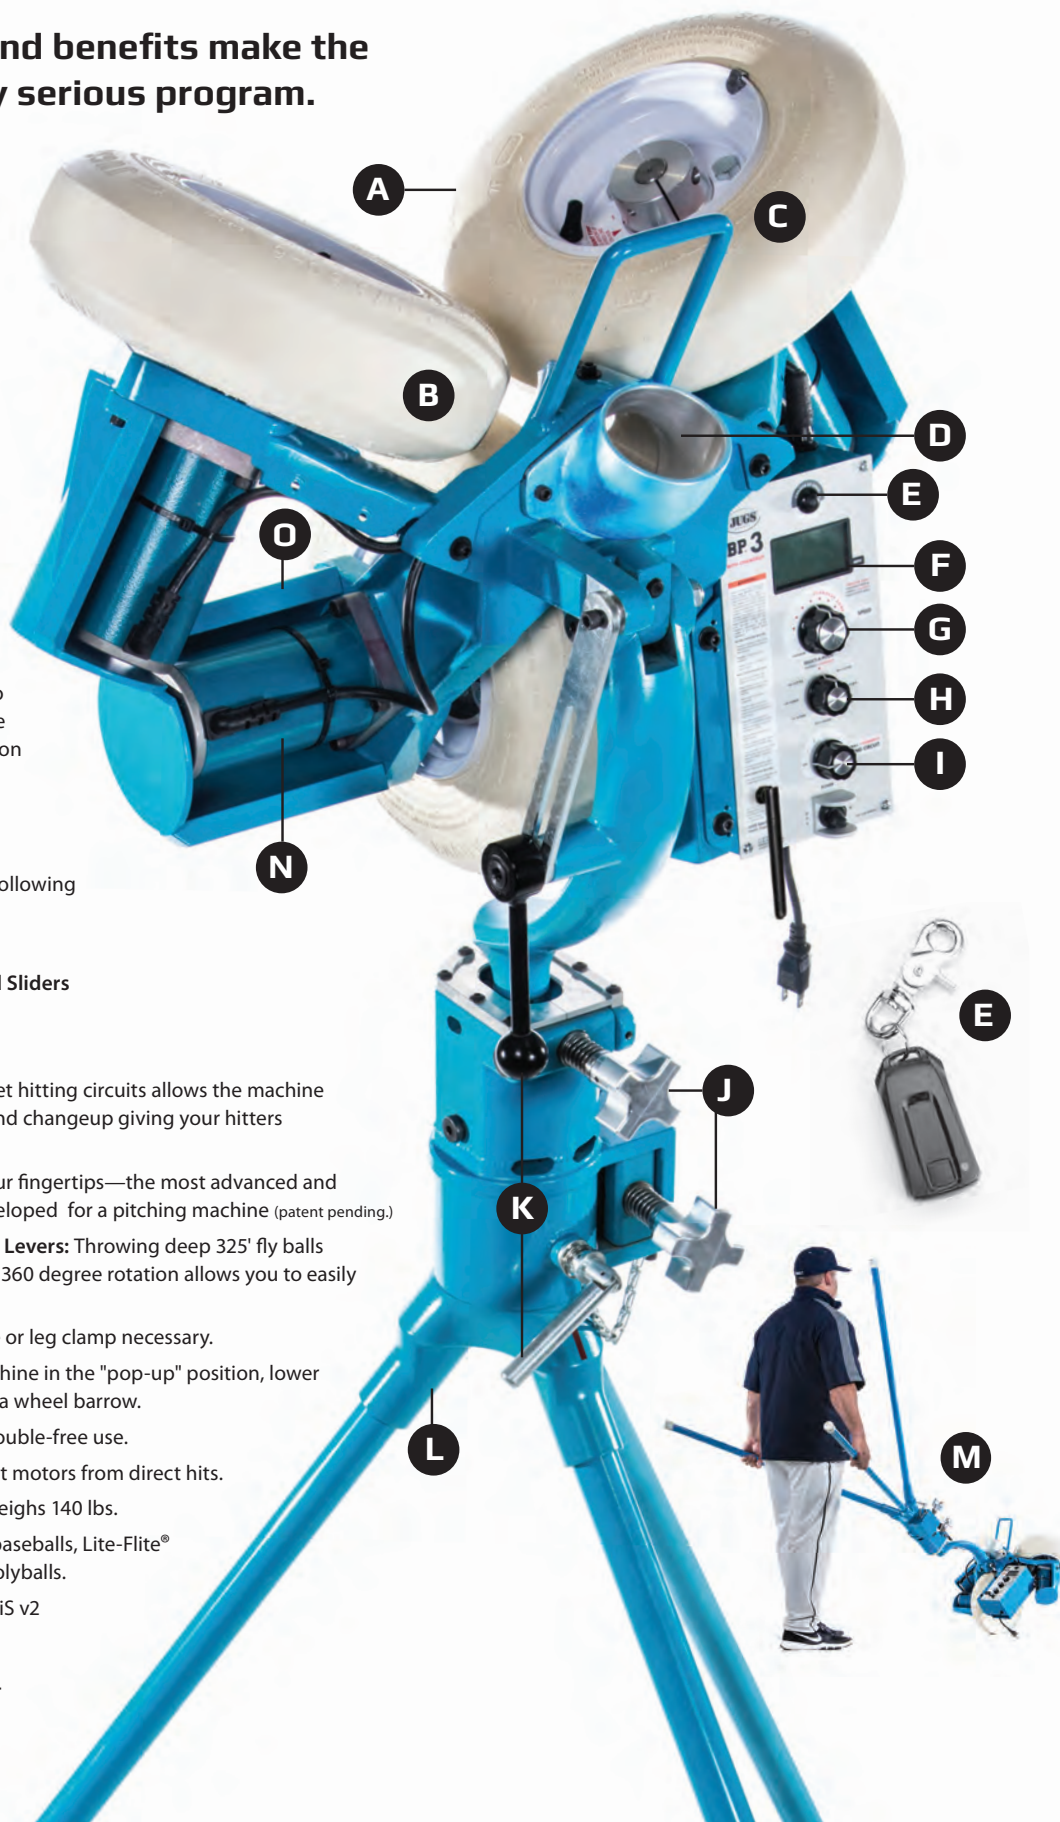

O) Three cast-aluminum motor guards protect motors from direct hits.

P) Cast aluminum and steel construction—weighs 140 lbs.

Q) Throws baseballs, JUGS Pearl[®], Sting-Free[®] baseballs, Lite-Flite[®] baseballs, Softie[®] baseballs and Bulldog™ polyballs.

R) Runs on 110-volt AC or the Yamaha[®] EF2000iS v2 Inverter Generator.

NEW Optional 36-Ball Carousel Ball Feeder—Batting practice with a ball delivered every 6 seconds. Throws regulation size and weight baseballs. See page 26.

For the first time change speeds without the hitter knowing it!

Switch between fastballs and changeups with the touch of a button using the hand-held remote control. Remote control can be used at the machine, behind the hitter or even in the dugout.

In a national survey, 96% of all softball coaches polled, asked for a changeup machine—we listened.

"By changing the speeds at the press of a button, without the hitter knowing it, batting practice simply isn't automatic anymore."

—**Celeste Knierim**,
NFCA Hall of Famer

"This machine is the real deal! It's not only great for working with your hitters, but it's also perfect for advanced outfield drills."

—**Mike White**,
Fastpitch, Inc.

"A must for any hitter or team wanting to improve their batting averages and ability to hit changeups."

—**Michele Smith**,
1996, 2000 Olympic Gold Medalist

JUGS CHANGEUP™ MACHINE

IMPORTANT:
Before throwing changeup, you must read Changeup Chart located on pad bracket and Changeup section in Instruction Manual.

70 mph Fastball / 55 mph Changeup
65 mph Fastball / 51 mph Changeup
60 mph Fastball / 49 mph Changeup
55 mph Fastball / 46 mph Changeup
50 mph Fastball / 44 mph Changeup

The JUGS Changeup Super Softball™ Pitching Machine's changeup feature and higher speed range is designed for the advanced player whose skills demand practicing at game-like speeds.

At the warning track,

or shallow fly balls.

Great for offensive or defensive drills—Change speeds while practicing advanced outfield drills.

JUGS NEW 18-Ball Carousel Feeder

Moving your machine is easy with the optional Transport Cart. Once your machine is attached to the Transport Cart's base, simply insert the handle, tilt and roll.

For optimal performance, the JUGS Changeup Super Softball™ Pitching Machine should be set at 37 feet from home plate—the same release point as Michele Smith.

For optional equipment including **JUGS NEW** Carousel Feeder, see page 26.

Now throws
up to
70 mph.

The NEW JUGS BP®1 is the most widely used youth-league pitching machine in the world today.

The BP®1 throws consistent strikes so your players can confidently step into the batters' box and start swinging, knowing that each and every pitch is going to be a strike.

Great for offensive bunting drills

For youngsters just starting out in the game, nothing is better than repetition of fundamental skills.

Using the BP®1 Combo Pitching Machine, young ball players get to hone their swings because pitches arrive in virtually the same location each time. That makes the challenge of hitting a little easier and a lot more fun.

Save 10% on JUGS Youth League Package™ (shown left) featuring the JUGS BP®1 Combo Pitching Machine: See page 29.

To get yours, contact Steve at: stevec@jugssports.com

JUGS NEW Carousel Feeder

Have you considered starting up a JUGS Pitching Machine League™ in your community?

Here's why you should:

For youngsters just starting out in the game, nothing is better than repetition of fundamental skills.

By using the MVP® Combo Pitching Machine, young ball players get to hone their swings because pitches arrive in virtually the same location each time. That makes the challenge of hitting a little easier and a lot more fun.

Give your players a chance to focus on hitting, fielding and base running by replacing strong pitching with a JUGS Machine. Games played with JUGS machines are easy, safe, fast paced, and fun!

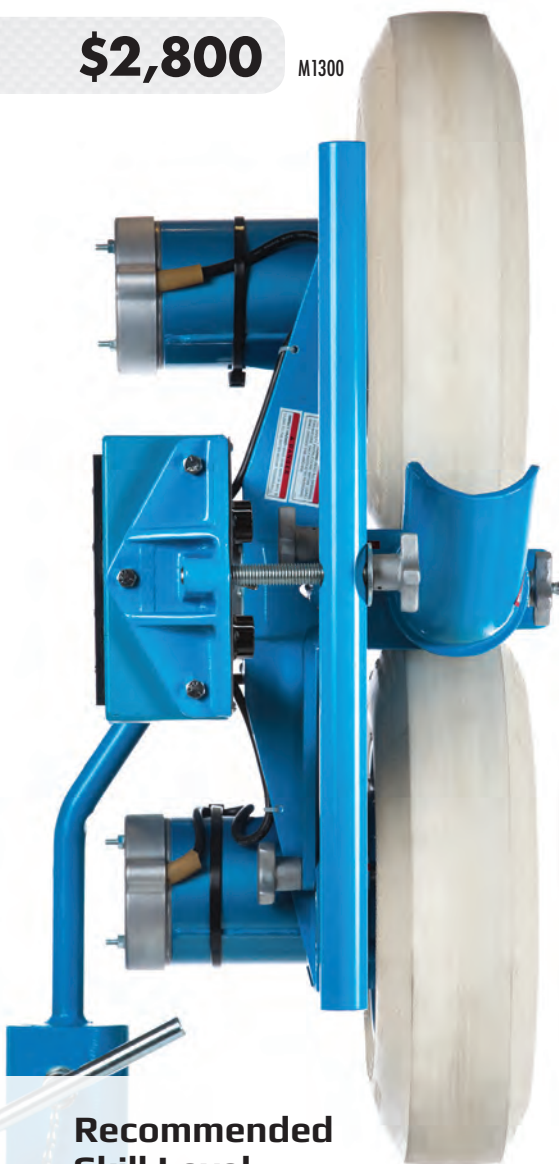

Combination Pitching Machine™ for baseball and softball

The Combo Pitching Machine™ is 2 machines in 1—a baseball machine and a softball machine.

Perfect for coaches on a tight budget.

Speed Range

- Simulates pitch speeds up to 85 mph at 25 feet.

In your backyard, on the field, or in the gym—if your players love to hit, the JUGS Lite-Flite[®] Machine is perfect for you.

Features, Benefits & Facts:

- Throws Lite-Flite[®] baseballs, 11" or 12" Lite-Flite[®] softballs and JUGS BULLDOG[™] baseballs and softballs.
- JUGS Lite-Flite[®] Machine provides a full range of movement to adjust for all types of pitches—including fastballs, left- and right-handed curves and sliders.
- Simulates pitch speeds up to 85 mph at 25 feet.
- Quick-Change design features exclusive Switch-and-Play Knobs. Go from baseball to softball in a matter of seconds.
- Portable and easy to move and set up. Weighs just 35 lbs.
- Swivel-design base casting provides 360° movement for fly balls, ground balls and pop-ups.
- Runs on 110-volt AC, JUGS Battery Pack or Yamaha[®] EF2000iS v2 Inverter Generator.

Recommended Age	8–Adult
Speed Simulated	15–85 mph
Speed Adjustments (mph)	Single-Dial Setting
Pitch Selection	Select-A-Pitch [™]
Power Source	110V AC (see features)
Motor	(1) 1/4HP, 1.3 amp
Weight	35 lbs.
360-Degree Swivel	Yes
Optional Pitching Machine Cover	Yes
Optional Automatic Feeder	Yes
Optional Feeder Remote Switch	Yes
Optional 220V model available	Yes

2-Year Guarantee on all parts, moving and non-moving, against normal wear and factory defects.

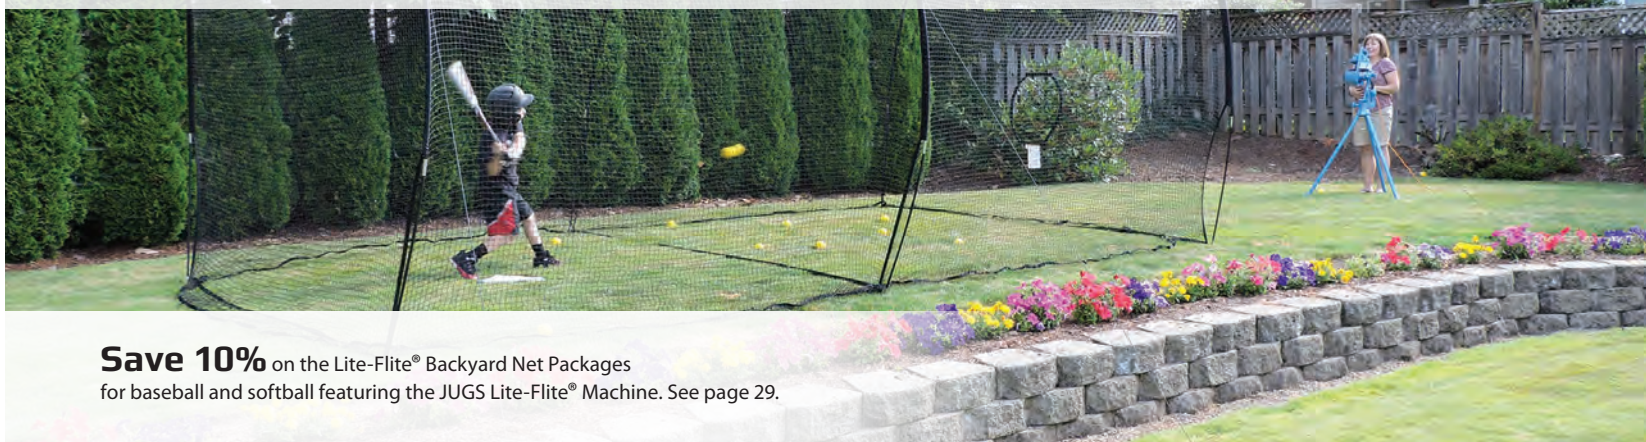

Pitch for pitch, dollar for dollar, the JUGS Lite-Flite® Machine will prove to be the best purchase you'll make this season.

No matter if you want slow tosses or challenging breaking pitches the JUGS Lite-Flite® Machine promises to deliver lots of strikes and lots of FUN!

This machine delivers Big League style pitches at a minor league price.

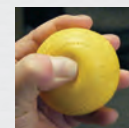

Save 10% on the Lite-Flite® Backyard Net Packages for baseball and softball featuring the JUGS Lite-Flite® Machine. See page 29.

Lite-Flite® Machine throws these pitches:

- Fastballs
- Right-Handed Curves & Sliders
- Left-Handed Curves & Sliders

JUGS Lite-Flite® practice balls are designed specifically to be used in the JUGS Lite-Flite® Machine. Players see a realistic throw or pitch but do not get stung by the ball if it bounces off their arms or body. This makes the JUGS Lite-Flite® ideal for offensive or defensive drills. Available by the dozen or bucket. See page 48.

For optional equipment and accessories see page 27.

Small-Ball® Pitching Machine

\$219 M7000

Recommended Skill Level

- Backyard Players
- Youth Leagues
- High Schools and Colleges

Speed Range

- Simulates speeds up to 75 mph.

The toughest thing to do in sport is hit a round ball with a round bat. Now try it with a bat and ball half the size.

- Throws the JUGS polyurethane-foam 5-inch/½-oz. SMALL-BALL®. Sold separately—See page 49.
- Manual and automatic feed: 25-ball feeder releases ball every 5 seconds.
- Adjustable legs for realistic delivery height for both baseball and softball.
- Portable and light-weight—weighs only 23 lbs.
- Simulates speeds up to 75 mph.
- Runs on 110-volt AC, Yamaha® EF2000iS v2 Inverter Generator or the Rechargeable Battery Pack.
- Throws fastballs or overhand curves with uncanny accuracy.
- Great for fly balls and ground balls.
- Safe to use anywhere—backyards, garages or your chosen practice field.

Recommended Age	8-Adult
Steel Construction	Yes
Speed Simulated	Up to 75 mph
Speed Adjustments (mph)	Single-Dial Setting
Types of Pitches Thrown	Fastball and Overhand Curveball
Power Source	110V AC (see features)
Manual and Auto Feed	Yes
Weight	23 lbs.
360-Degree Swivel	No
Optional Pitching Machine Cover	Yes
Optional Rechargeable Battery Pack	Yes

1-Year Guarantee on all parts, moving and non-moving, against normal wear and factory defects.

▲ WARNING ▲
CHOKING HAZARD: THIS PRODUCT CONTAINS SMALL BALLS. NOT INTENDED FOR CHILDREN UNDER 3 YEARS.

Only the JUGS SMALL-BALL® Pitching Machine will let you improve as a hitter by focusing small and hitting big.

Save 10% on the Small-Ball® Backyard Net Packages for baseball and softball featuring the JUGS Small-Ball® Pitching Machine. See page 29.

The JUGS Small-Ball® Pitching Machine will prove to be a fun and effective coaching tool.

It is designed to:

- Teach the hitter to track the ball from the release point to the impact zone.
- Increase the hitter's mental concentration by teaching to hit a small object with a small bat.
- Help the hitter improve depth perception by keeping his or her head still and eyes level.
- Teach the fundamentals of hitting while removing the fear factor.
- Allow players to practice hitting indoors safely and in a limited space.
- Allow players to practice by themselves.
- Allow players to practice hitting without a batting cage.

Throws the JUGS polyurethane-foam 5-inch/½-oz. SMALL-BALL®. Sold separately and available in white and vision-enhanced yellow™. See page 49.

For your convenience, balls can easily be picked up using the plexi extension tube.

For optional equipment and accessories see page 27.

Low Cost, High Quality Batting Cage Netting for Baseball and Softball

JUGS® now features both Polyethylene and Commercial Grade **POLYESTER** batting cage netting.

Our customers know that they may find cheaper lower-quality nets online but are unwilling to trade the quality of the JUGS® brand for short-term savings.

All JUGS nets come with a JUGS Hitter's Door for easy in-and-out access.

In the last four decades we have sold over 128,000 Batting Cage Nets—making us easily the #1-selling batting cage net company in the world.

Why? Because we listen very carefully to our customers' wants and needs.

Two questions asked most often: How long do your nets last, and how much do they cost? First, our netting is the longest-lasting netting of its kind. This, in combination with the strong name of JUGS, is the reason why the biggest block of our net sales is repeat customers. Secondly, we pride ourselves in giving you the finest-quality netting at the best factory-direct price and guarantee possible.

Custom Netting

All applications, all sizes, all the time.

JUGS Sports not only offers custom netting for baseball and softball, but for many other applications as well. Any dimension, all mesh and fiber sizes, and all strengths are available to fit your specific needs.

Recommended Net for Skill Level:

**Twisted Knotted Black Polyethylene #27, #42 and #60
Batting Cage Netting features and benefits:**

- Polyethylene available in 3 strengths: #27, #42 and #60.
- Twisted Knotted Black Polyethylene Nets are hung on the square and are designed specifically for baseball and softball use.
- All JUGS nets come with a JUGS Hitter's Door for easy in-and-out access.
- Knotted nets have a higher overall strength and durability rating making them superior for direct impact sports like baseball and softball.
- Twisted netting has a higher abrasion resistance than braided, because twisted has less surface area than braided. This allows the balls to slide and spin off of the surface.
- Polyethylene netting doesn't absorb water—perfect for wet or humid hot climates—This is the best protection to prevent rotting.
- All JUGS nets are black and offer the best protection from the affects of sunlight—the darker the color, the greater the UV deflection.
- We incorporate the industries highest UV protection.
- JUGS netting is hydraulically depth stretched to improve knot tightness and reduce stretching and shrinking over time.
- Baseball and Softball size mesh—1¾".
- Heavy-Duty Polypropylene Black Rope Borders on top, bottom, and vertical corners. Rib-Line Ropes down the center for extra suspension points with less sagging.
- 1-Year Guarantee on #42 and #60.

Quality Features on all JUGS Netting:

Twisted Strands

Our twisted netting has a higher abrasion resistance than braided, because twisted has less surface area than braided. This allows the balls to slide and spin off of the surface.

Extruded Black Core
Other nets have a white core with black surface coat.

JUGS Special UV Formula

Our patented UV inhibitors prevent nets from becoming brittle.

JUGS® Twisted Knotted Batting Cages have a higher overall strength and durability rating making them superior for direct impact sports like baseball and softball.

Commercial-Grade Twisted Knotted Black POLYESTER #96 Batting Cage Netting features and benefits:

OUR TOP OF THE LINE NETTING

- POLYESTER available in one strength: #96
- Same great features and benefits as Polyethylene.
- Strongest: The highest breaking strength and most abrasion resistant netting you can buy.
- Won't mildew.
- Higher UV resistance.
- 2-Year Guarantee

The Netting the Pros Use.

Over 135,000 families in the United States and around the world have already put JUGS in their backyards—
Now you can too!

NEW Hit at Home® Backyard Batting Cage

\$699 A5030

Features, Benefits & Facts:

- Compact yet spacious size allows batting practice to be thrown comfortably. Also, great for short toss, soft toss, or tee drills.
- #27 Twisted Knotted Black Polyethylene Netting. Perfect for Backyard use.
- Powder coated grey steel tubing holds up very well to strong sun or rain, looks great for years.
- Vision enhanced coated guy-wires and doubled staked at corners for added safety and durability
- Quickly dismantles—simply unhook turnbuckles to lower entire cage to the ground.

**Perfect for backyards,
or small hitting areas.**

HIT at HOME®
BACKYARD BATTING CAGE

**No permanent construction required.
Two person setup in less than 1 hour.**

The Hit at Home® Backyard Batting Cage features #27 Twisted Knotted Black Polyethylene Netting, is hung on the square and is designed specifically for baseball and softball use.

- Knotted nets have a higher overall strength and durability rating making them superior for direct impact sports like baseball and softball.
- Twisted netting has a higher abrasion resistance than braided, because twisted has less surface area than braided. This allows the balls to slide and spin off of the surface.
- Polyethylene netting doesn't absorb water—perfect for wet or humid hot climates—This is the best protection to prevent rotting.

45'L x 11'W x 11'H

JUGS Hit at Home®
Backyard Batting
Cage comes with
Hitter's Door for easy
in-and-out access.

**The Hit at Home®
Backyard Batting Cage
comes with everything
you'll need to set up
your cage**

Including: (6) 1.5 inch powder coated uprights, (3) crossbars cables, (12) vision-enhanced coated guy-wires, (6) cable hangers, (16) steel ground stakes, (3) turnbuckles, (36) snap rings and (12) eyebolts.

20'L x 12'W x 9'H

The most affordable batting cage of its kind.

Lite-Flite®/Small-Ball® Batting Cage

\$199 A5050

- Sets up in less than 15 minutes.
- Designed specifically for use with JUGS Lite-Flite® and Small-Ball® Machines.
- Bungee fiberglass poles assemble quickly, adding strength and stability.
- Weather treated, heavy-duty 1¼" nylon netting.
- Built-in pitching machine portal.
- Steel ground stakes provide strong lateral support.
- Arch-shaped design for maximum hitting space.

Ideal for ages 12 and under.

This giant 12' x 12' x 9' Multi-Sport Instant Cage® is ideal for your backyard or practice field. It can be used for baseball, softball, golf, football, soccer, tennis or discus.

12'L x 12'W x 9'H

Multi-Sport Instant Cage®

\$595 A5010

- Perfect for short-toss and soft-toss drills.
- Quick-Snap® connections make for fast and easy assembly.
- Makes a terrific portable backstop for batting practice and can easily be moved from place to place on your practice field.
- 5-year guarantee on frame. 1-year guarantee on netting.

This 50' x 11' x 11' full-length sports cage requires no tools to assemble with patented QUICK-SNAP® connections, is fully enclosed, free-standing, and portable.

50'L x 11'W x 11'H

Portable Free-Standing Sports Cage™

\$1,395 A5005

- It can be used to practice a multitude of sports at the same time, including baseball, softball and golf, and can be set up in less than an hour.
- This cage is unique in that it comes with both 191-lb. Knotted Nylon and Golf-Mesh Nylon Netting.
- This Large Sports Cage will fit comfortably in your backyard or on any practice field.
- 5-year guarantee on frame. 1-year guarantee on netting.

Hitting Tee Collection

"I'm excited to introduce the latest editions to our hitting tee collection—the JUGS T and the JUGS Short T. No one offers a longer guarantee or lower price on tees of this quality."

—Butch Paulson, President, JUGS Sports

Durability, Stability and Portability are the keys to the JUGS® T.

JUGS T can also be used for slow-pitch softball training.

Fits easily in most travel bags.

Recommended Skill Level

- Backyard Players
- Youth Leagues
- High Schools and Colleges
- Professionals

A hitting tee is the most commonly used training tool for baseball and softball. Shouldn't you practice with the best?

JUGS® T

\$89⁹⁵ A0415

Features, Benefits & Facts:

- Longest guarantee and lowest price for a tee of this quality.
- Large 14"x 11", 1/4"-thick steel base adds stability. Weighs less than 10 lbs.
- No outside weight needed. Will not tip over.
- Telescoping stem unscrews from base.
- Quick adjustment range of 24" to 46" allows hitters to work on their swing mechanics throughout the strike zone.
- Great for high- and low-tee drills.
- Always-feel-the-ball flexible top. Feel the ball on contact, not the tee.
- Unlike similar designed tees, our patented interlocking bolt design prevents slippage of the upper tee stem.
- Base comes complete with patented grip-n-go™ handle. Makes for easy transport and will fit into most travel bags.

Perfect for any age or skill level.

"Absolutely love it! I think it's extremely valuable for doing breakdown drills where you kneel on one knee to isolate the lower body so you're just working on your hands and your arms in the middle of the swing."

—Michele Smith, 2-Time Olympic Gold Medalist

Great for any age or skill level,
T-ball through the pros.

Recommended Skill Level

- Backyard Players
- Youth Leagues
- High Schools and Colleges
- Professionals

Learn to hit the "pitcher's pitch".

JUGS® Short T

\$79⁹⁵ A0416

Features, Benefits & Facts:

- Longest guarantee and lowest price for a tee of this quality.
- Large 14"x 11", 1/4"-thick steel base adds stability. Weighs less than 10 lbs.
- No outside weight needed. Will not tip over.
- Quick adjustment range of 16" to 23" allows hitters to work on the pitch at the bottom of the strike zone.
- Always-feel-the-ball flexible top. Feel the ball on contact, not the tee.
- Unlike similar designed tees, our patented internal interlocking bolt design prevents slippage of the upper tee stem.
- Base comes complete with patented grip-n-go™ handle. Makes for easy transport and will fit into most travel bags.

Work on the pitches at the bottom of the strike zone.

Combo T Package

\$119⁹⁵ A0417

For complete strike zone coverage.

This package includes:

1. Regular JUGS T stem: 24"– 46"
2. NEW SHORT T stem: 16"– 23"
3. One T base.

For complete plate coverage, purchase 2 stems and 1 base.

The Sports Radar Benchmark Since 1975.

Large 1 3/4" LCD display for easy operation.

Operates in two user-friendly modes—Trigger mode and Continuous mode.

- Trigger Mode: Pulling the trigger reads the speed of the pitch. Speed remains on the radar gun for the duration you set in the menu. Default is 5 seconds.
- Continuous Mode: Pulling the trigger twice reads the speed of the pitch automatically, then clears itself to read the speed of the next pitch.

NEW

THE JUGS GUN™ comes complete with:

- 6 NiMH Rechargeable Batteries
- **NEW AC Adapter and wall charger**— Operate indefinitely using 110V AC or charge, unplug, and use wirelessly.
- Radar Manual
- Heavy-duty soft-shell carrying bag

The JUGS Gun™

\$1,095 R2050

Features, Benefits & Facts:

- FAST, LAST and FAST/LAST Functions: FAST captures readings at the release point. LAST captures readings at the plate. FAST/LAST captures both.
- Five pitch recall: You can view the last five pitches thrown with the recall feature.
- Comes with a data port for transmitting data to a display or computer.
- 6 NiMH rechargeable batteries power your radar gun for up to a week of use under normal operating conditions. Batteries recharge in just 1 hour.
- Comes with Digital Signal Processing (DSP) state-of-the-art technology and is fully guaranteed for an industry-best two years.
- Guaranteed accuracy index of ±½ mph.
- Measures both MPH and KPH.
- Speed Range: 5-140 mph (8-224 kph).
- Greater distance range—up to 300 ft.

BACKYARD BULLPEN®

Package for baseball or softball

\$595 R2115 Baseball, R2120 Softball

Helping baseball and softball players of all ages become pitchers, not just throwers.

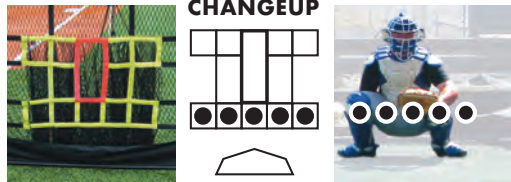

1. BACKYARD BULLPEN® Screen—a huge 7' portable screen with 12 Hit-Your-Spot™ pockets.
2. JUGS Radar Cube™ and tripod. The JUGS Radar Cube™ shares the same accuracy index as the world famous JUGS Radar Gun: ±½ mph.
3. (15) Perfect Pitch™ Throwing Balls. Leather baseballs or softballs with pitch count and location on each ball.
4. Heavy-Duty Nylon Carrying Bag
5. Throw-Down Home Plate

\$269 S0400 Backyard Bullpen™ Screen ONLY

Perfect Pitch™ throwing balls are the key!

Becoming a great pitcher is the ability to recognize the relationship between “the count” and ball location, then mastering the execution of that pitch. PERFECT PITCH™ leather baseballs and softballs teach this very thing.

EXAMPLE: Your pitcher chooses the CHANGE-UP ball and pitches to the location shown.

Recommended Skill Level

- Backyard & Youth League Players
- High Schools

The key to pitching is Speed and Location.

12 individual Hit-Your-Spot™ pockets isolate specific spots in the strike zone, and out. This will help pitchers work on their accuracy.

For the beginning pitcher, or for those more advanced.

The Backyard Bullpen® Package fits snugly into its heavy-duty nylon carrying bag.

SMALL-BALL® Focus small, hit big!

The 5-in./0.5-oz., polyurethane-foam ball is designed to:

- Develop hand-eye coordination and a quick bat.
- Teach the hitter to track the ball from release point to impact zone.
- Increase the hitter's mental concentration by hitting a small ball.
- Teach the fundamentals of hitting while removing the fear factor.

Football Machine™

- Every professional team, most college teams and over 10,000 high school teams have invested in the original JUGS Football Machine™.
- Running backs, tight ends, and wide receivers need constant practice catching the football. With JUGS, these players catch more passes in a week than they normally would in an entire season.
- Defensive backs and linebackers can be given practice on a variety of reaction and zone-coverage drills in a short period of time, without having to take your best quarterback away from where you really need him to be—with the offensive unit.
- On punt and kickoff-return team drills you do not waste any time with JUGS doing the "kicking." High-lofting end-over-end "kicks" go exactly where you want them to—so your players learn their assignments quickly.

Recommended Skill Level

- High Schools & College
- Professionals

FREE DVD Demonstration	Yes

\$2,795 M1700

"It's hard to practice at an elite level if you can't get consistent balls and that's what the JUGS Machine does for you—the consistency for which the ball is going to come out.

Offensive players, defensive players, if you're trying to catch the football and learn how to catch the football, you're better off catching it when you get a consistent throw every time."

—**Cris Carter**
Hall of Fame Wide Receiver

Attention FOOTBALL coaches:
We have 2 machines for you.

Field General™

- Receivers and Running Backs need consistent practice catching the football. With the Field General™, these players see a week's worth of passes in a fifteen-minute drill session. Simply put, more passes caught in practice means more receptions in games.
- Defensive players can be given practice on a variety of reaction and zone-coverage drills in a fifteen-minute session without taking your quarterbacks away from their work with the offense.
- With hang times of up to 5 seconds, the Field General can accurately "kick" high-lofting punts directly at one player or another, or at any point in between. You can save 30 minutes of practice time each day because, with the Field General™, you will eliminate shanked punts. Remember, crisper special team drills will produce the game results you want.
