We carry a variety of UPF rated products to protect your skin from excessive UV rays that cause skin cancer and premature aging.

SCENT DESTROYER

Scent Control System technology eliminates odor-causing bacteria for long-term scent control.

LADIES FIT SIZING

This fit has a smaller circumference, shortened crown and smaller visor to ensure a great fit just for ladies.

eco3® PRESERVE • ENDURE • SUSTAIN

Each eco3® cap has a feature designed to preserve, endure and sustain.

BAMBOO CHARCOAL ATTRIBUTES

REALTREE®

In 1986, the founder of Realtree®, Bill Jordan, rented a booth at the Shooting, Hunting, Outdoor Trade (SHOT) Show on credit. Bill spent the week of the show selling his own camo pattern creation and hiding from SHOT Show officials after purchasing the booth on credit. By the end of the show, Bill had enough buyers invested in his garment prototypes that he was able to settle the bill for his booth.

This type of faith and determination is what Outdoor Cap looks for in a brand. We value our relationships with partners like Realtree® so that we can offer our customers the best of the best.

Additional Program Details

Artwork Details

Embroidery and embroidered patch art files need to be in vector format (non-vector art will require additional lead-time to receive virtuals), Adobe Illustrator (.ai), encapsulated PostScript (.eps) or scalable vector graphic (.svg). Please provide size and PMS color specifications with artwork submission. Digitizing services and set up fees are free. Creating vector artwork will increase lead time and design time. Accurate re-creation cannot be guaranteed. Outdoor Cap reserves the right to alter a customers' file to deliver a quality product. Outdoor Cap will match PMS with closest matching thread and may need to alter the artwork to best fit the decoration space or decoration technique.

File Format

Embroidery and Fabric Patches: Vector art in .ai, .eps or .svg format is required. JPEG, DST or other non-vector file types will increase the lead time for sample sew out or virtual due to artwork vectorization. Accurate re-creation cannot be guaranteed.

Sublimated Patches: Vector file in .ai, .eps, .svg or raster file at least 300 dpi in .jpg, .gif, .png, .tif, .psd or .bmp format.

Production Delivery

All shipments are FOB - Bentonville, AR.

Orders must be sent via email.

Every effort will be made to ship exact quantities as ordered.

Over/under run rate of 5% is standard on all embroidered orders.

Orders over 720 pieces may require additional days. Call for lead time.

Drop shipments up to 6 locations are free, additional locations will be charged \$2.50/location (A).
