- More creativity is allowed in the design process and includes the use of patterns such as camo, watermarks and vintage flannel
- Additional uniform styles are available
- Decoration in six jersey locations is included in the base price

- Color choices are dependent on in-stock options
- Each decoration location is charged individually

DECORATED STOCK PRICING

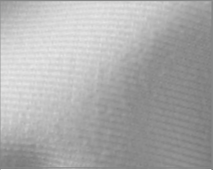

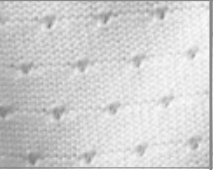

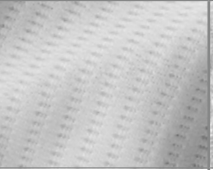

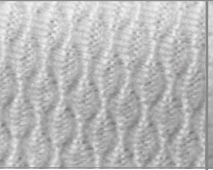

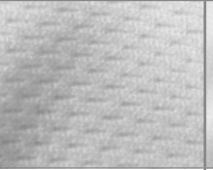

All decorated stock jerseys and pants are priced individually based on the style and decoration. See page 89 for decoration options.

! LEGALITY OF UNIFORMS

Due to varying and conflicting rules among state associations, individual conferences and districts, Wilson Sporting Goods Co. will not accept responsibility for the legality of uniforms, their designs or decoration.

Utmost care is used in selection of dyes to obtain the highest possible degree of color fastness. We believe our dyes to be second to none in the industry. There is no known process which can positively regulate the final results when Nylon, Orlon, Rayon, Worsted, Polyester or Cotton yarns or cloth are dyed. Every effort is made to match colors. However, it is not possible to guarantee every color. Therefore, all orders are taken with the understanding that we cannot be held responsible for fading. To safeguard against error and delay, please order by exact color (Navy Blue, Royal Blue, etc.)

Special Note: 100% polyester or polyester blend fabrics in dark shades contain dyes that may tint light colors of heat transfer ink. Wilson Sporting Goods Co. will not assume responsibility for this. Colors are shown for general reference only. Printed or digital representation of colors should not be used for matching shades.
